- **Optional Utility Shelf**
- **Optional Rules Plate**
- **Optional Bolt-on Accessible Hook**

AVAILABLE OPTIONS

Powder coat finish in choice of colors

Optional Bolt-on Rules Plate

Optional Bolt-on Utility Shelf

Optional Bolt-on Accessible hook

SPECIFICATIONS:

- **Model LH-180** Series lantern holders are constructed of 2-3/8" OD x 11 ga. wall tube with a 180 degree radius bend forming an overhang to provide clearance for one campsite lighting device to hang from an open hook made of 1/2" dia. round steel rod. Hook is 76" (nom.) above ground level when pole is embedded 33" into concrete footing.
- **Model LH-2** Series lantern holders are constructed of a 2-3/8" OD x 11 ga. wall vertical tube with a welded crossbar formed with two 90 degree radius bends forming an overhang to provide clearance for one campsite lighting device to hang from an open hook on each side made of 1/2" dia. round steel rod. Hooks are 76" (nom.) above ground level when pole is embedded 30" into concrete footing.
- **Standard:** Lantern holder is hot dip galvanized after fabrication to ASTM-A123 to maintain an average zinc coating of 2.0 oz. per sq. ft. of surface area (indicated by "/G" in model no., e.g. LH-1/G).
- **Optional:** An additional wheelchair accessible hook (indicated by "/A" in model no.) is welded to the lantern holder at 48" above ground surface level to provide a handicap accessible position for hanging campsite lighting devices. Model nos. becomes LH/G-180/A or LH/G-2/A respectively.
- **Optional Rules Plate:** A 6" x 12" x 7 ga. steel plate with screws for attachment to lantern holder pole provides a surface for attachment of decals or adhesive signs posting park regulations, notices, and fees. Order Model RP as a separate item.
- **Optional Shelf:** A one-piece welded 14" x 20" x 10 ga. utility shelf with reinforcing gussets and a "U" clamp for attachment to the lantern holder pole is available. All fasteners are included. The shelf can also be retrofitted to any existing 2-3/8" OD round tube pole. Order Model LHS-1 as a separate item.
- **Optional Bolt-on Accessible Hook:** A 2-3/8" OD arm for a 1/2" dia. hook welded to a "U" clamp attaches to any 2-3/8" OD lantern holder pole providing a wheelchair accessible position for hanging campsite lighting devices. Order Model LHA-1 as a separate item.
- **Optional:** Color choices of powder coated finish for lantern holder and optional accessories. For optional colors choices see Specification Bulletin #SPC-CO-001.
